COLLAR & HARNESS  
PRODUCTS

# ABOUT US

Milani production group is specialized producer of pet products that has 14 years of experience in the production of specialized collars. This company has been in business since 2009 that produces pet products and supports high quality at a fair price and customer orientation to be a company with a strong customer focus. One of the main features of milani collars is the basic patterning that makes it properly fitting on the pet, without being too tight and restricting blood flow or creating pressure points to keep the dog safe and comfortable, which is producing in various color models.
